Tasks

Projects

A) with students

- introducing in all classes and invite the kids who need help to come to his office
- taking part in lessons to get to know the atmosphere in the classes
- personal individual time for the kids : every day from 9-10
- class training (coaching) : teambuilding - cooperation - solving conflicts ("workshops")

A) with students (II)

- individual training with kids who are aggressive or violent ("sports instead of beating")
- * Training for peer-mediation with a special course in the afternoon
- * Boxing & Bataka
- * Take care of kids who are absent (looking for them, taking them to school from their home,...)

B) With other persons

- visiting parents at home & helping them
- talking to teachers (with kids, with parents, alone,...about the kids, the class, but also the teacher's situation)
- inviting the parents to the office at school

- helping and accompanying parents to contact other institutions such as

- clinics

- court & police

- youth office

- worker's office

- psychologists

- "immigration"-office, welfare-organizations

- integration-helpers for kids with special needs

- other schools

- organizations for disabled kids

most important problems of the kids which are topics at the social work

- familiar problems (divorce, unemployment, financial problems, rules, behaviour at home, media,..)
- behaviour at school (no respect, aggression, bullying, violence,..)
- cyberbullying
- absence from school
- drugs/alcohol/...
- perspective after school
- conflicts with classmates, teachers, peer-groups
