

Prevention of violence in our school

- 
- A decorative vertical bar on the left side of the slide, featuring a colorful triangle at the top and a blurred background of green, blue, and purple squares. The triangle is blue on the left, purple on the right, and pink at the bottom.
- In order to keep a close relation with the students, our school system included some **special classes performed by the form master.**

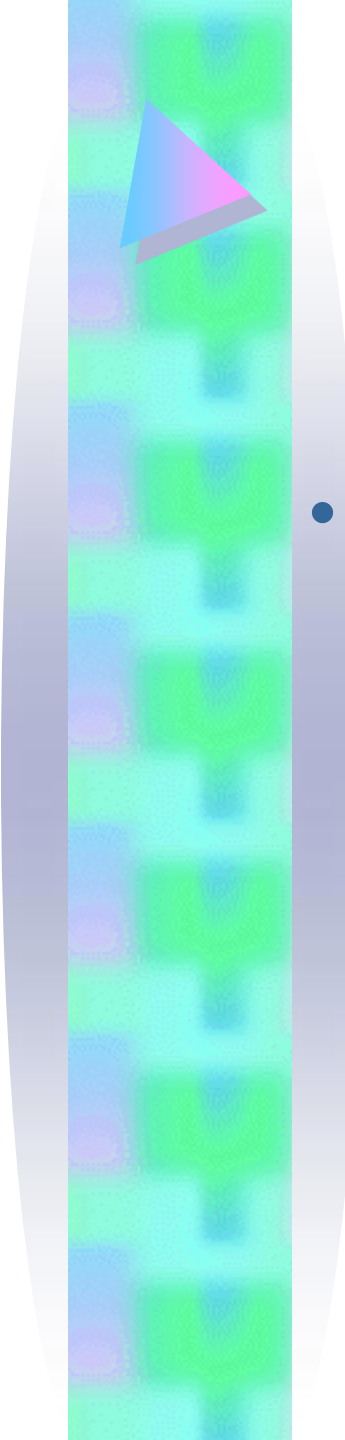

- 
- The form master has **a weekly meeting** with his/ her students.
 - During this meeting – one our per week in time table - they speak free about different problems such as: ***school problems, behaviour, social life, family problems, etc***

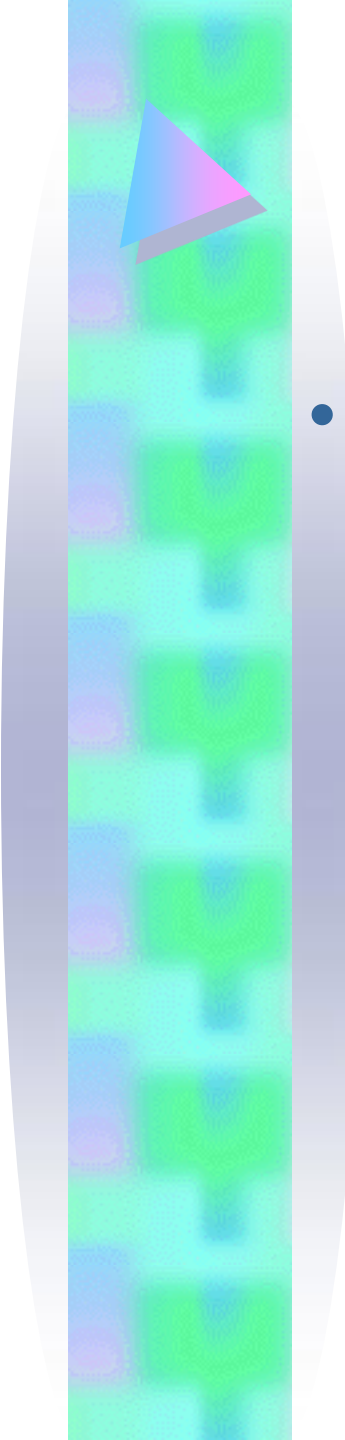

- 
- A decorative vertical bar on the left side of the slide, featuring a colorful triangle at the top and a blurred pattern of green, blue, and purple below. The triangle is composed of a blue top-left corner, a purple top-right corner, and a pink bottom corner.
- The form master has **frequent meetings with parents**, when they talk about students' situation at school (marks, behaviour)
 - They also try to find solutions for the eventual problems

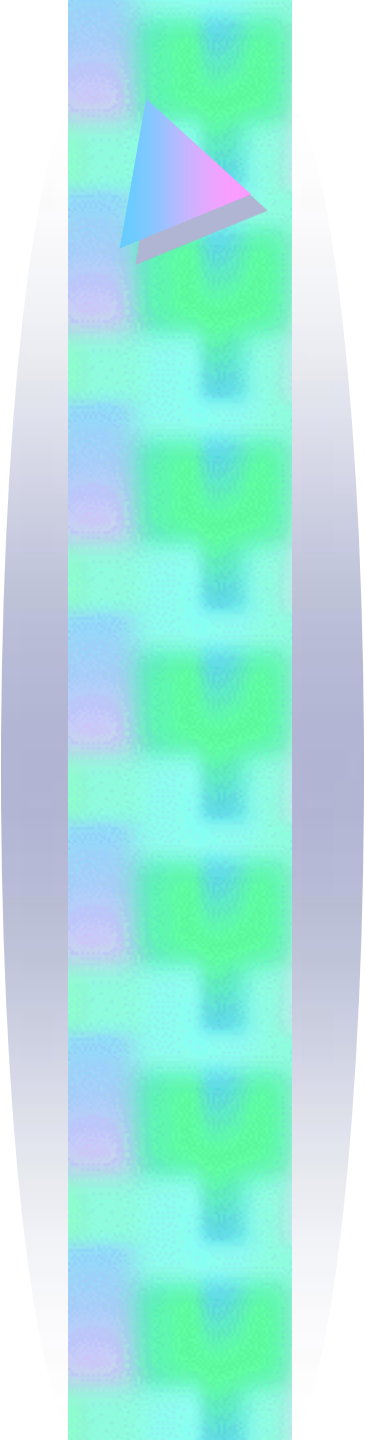

- 
- A vertical decorative bar on the left side of the slide, featuring a colorful, abstract pattern of green, blue, and purple. At the top of the bar is a small, 3D-style triangle with a blue-to-purple gradient.
- Our schools are in **partnership with the local police department or with the constabulary**

- 
- A vertical decorative bar on the left side of the slide, featuring a colorful, abstract pattern of green, blue, and purple. At the top left of this bar is a small, multi-colored triangle pointing right.
- The schools can also initiate different **competitions between classes** – *what class or wich students have a better behaviour*

- 
- A vertical decorative bar on the left side of the slide, featuring a colorful triangle at the top and a blurred pattern of green, blue, and purple below. The triangle is composed of blue, purple, and pink segments.
- There are at least **three teachers who supervise the students during the breaks**

- 
- A vertical decorative bar on the left side of the slide, featuring a colorful, abstract pattern of green, blue, and purple. At the top of this bar is a small, 3D-style triangle with a blue-to-purple gradient.
- Most of the schools have **video cameras** that monitor the spaces belonging to the institution (halls, courtyard, doors)

- 
- A vertical decorative bar on the left side of the slide, featuring a colorful, abstract pattern of green, blue, and purple. At the top of this bar is a small, 3D-style triangle with a blue and purple gradient.
- Students with problems are included in a special recovery programme with the psychologist from the school.

THANK YOU !
