Song against bullying

't Schoolhuis Opwijk Belgium

(music: Mia from Gorki)

Maybe you have a lot of problems,
probably others treated you very bad.
However I've never done you wrong.
But you made my life already really sad.

I've never learned how to defend myself.
It's not that you have more or less qualities than me.
You even could become my friend
Are you suffering from jealousy?

instrumental

The things you do are hurting me a lot.
I'm scared they will make scars on my heart.
If I could help I would be happy to.
Because it's strange behaving cruel seems normal to you.

To the bullies I can only say:
I don't understand you act this way,
You can always be friendly to me,
because: No one was born a bully!

instrumental

I've never learned how to defend myself.
It's not that you have more or less qualities than me.
You even could become my friend
Are you suffering from jealousy?

BULGARIA-SONG

GERGANA AND DESSISLAVA

There are three important things for people

And life depends on them.

The first important thing for everyone is love

Because without it life has no sense.

Faith gives us strength to live

force to grow seeds.

With faith ripens every fruit

which generously gives us land.

With love and faith is full the world

What we need is hope only.

A friend in need is a friend indeed

Our friends we can always rely on.

Chorus:

My dear friends, my faithful dear friends,

In trouble I have one of them beside me

You can't buy friends with all the money you have

A friendship is a gift to take delight in.

Everything can become better ...

Alles Kann Besser Werden Songtext
Alles kann besser werden
Holen wir uns den Himmel auf Erden
Alles soll besser werden
Holen wir uns den Himmel auf Erden
Alles wird besser werden
Wir holen uns den Himmel auf Erden
Und keiner muss sein Leben mehr gefährden
Einer der kostbarsten Schätze auf Erden

Ich will raus aus dieser Scheiße hier
Doch ich weiß nicht, wie das gehen soll
Raus aus diesem scheiß Revier
Doch ich weiß nicht, wie das gehen soll
Man sperrt mich hier in diesen Bezirk
Weil ich den Rest der Welt nicht sehen soll
Ich werde aus diesem Knast heraus spazieren
Wenn ich weiß, wohin ich gehen soll

Alles kann besser werden
Holen wir uns den Himmel auf Erden
Alles soll besser werden
Holen wir uns den Himmel auf Erden
Alles wird besser werden
Wir holen uns den Himmel auf Erden
Und keiner muss sein Leben mehr gefährden
Einer der kostbarsten Schätze auf Erden

Auch wenn du jetzt bitterlich weinst
Bitte gib nicht auf
Auch wenn du grad das Leben vermeinst
Bitte gib nicht auf
Auch wenn du dir verstorben scheinst

Bitte gib nicht auf
Auch wenn alles verdorben scheint
Gib nicht auf

Alles kann besser werden
Holen wir uns den Himmel auf Erden
Alles soll besser werden
Holen wir uns den Hommel auf Erden
Alles wird besser werden
Wir holen uns den Himmel auf Erden
Und keiner muss sein Leben mehr gefährden
Einer der kostbarsten Schätze auf Erden

I can see beyond the borders of here
And I know there's more for me
I'm not afraid to face what they fear
If it means I can be free
Discourage me if you think you can
But I won't stop till I'm out of here
Yeah, I just don't give a damn
Not afraid to face what they fear

Alles kann besser werden
Holen wir uns den Himmel auf Erden
Alles soll besser werden
Holen wir uns den Himmel auf Erden
Alles wird besser werden
Wir holen uns den Himmel auf Erden
Und keiner muss sein Leben mehr gefährden
Einer der kostbarsten Schätze auf Erden

Alles kann besser werden
(Alles wird besser werden)
Holen wir uns den Himmel auf Erden
Alles soll besser werden
Holen wir uns den Himmel auf Erden
Alles wird besser werden
Bitte gib nicht auf
Wir holen uns den Himmel auf Erden
Und keiner muss sein Leben mehr gefährden
Einer der kostbarsten Schätze auf Erden

Bitte gib nicht auf
Bitte gib nicht auf
Bitte gib nicht auf
Gib nicht auf

Eisberg Lyrics

Ich zeig dir nur die weiße Spitze.
Die gute Seite rein und klar.
Der ganze Dreck auf dem ich sitze ist für dein Auge unsichtbar.

Bin wie ein Eisberg, hart und unverletzbar.
Ich treib alleine auf dem Meer.
Nehm jede Welle ohne Mühe.
Aber mein kaltes Herz schlägt schwer.

Und tief unterm Eis fühl ich mich so wie du.
Ich steuer irgendwo da draußen auf die Lichter zu.

Ich will glänzen.
Ich will scheinen.
Und ich tu als tät nichts weh.
Würd dir gerne alles zeigen.
Bin ein Eisberg auf der See.

Vielleicht wird's Morgen für mich regnen.
Und irgendwann ergeb ich mich.
Wenn wir uns je wieder begegnen.
Dann zeig ich dir mein wahres ich.

Und tief unterm Eis fühlst du dich so wie ich.
Ich steuer irgendwo da draußen immer Richtung Licht.

Ich will glänzen.
Ich will Scheinen.

Und ich tu als tüt nichts weh.
Würd dir gerne alles zeigen.
Bin ein Eisberg auf der See.

Ich werd mich aus dem Wasser heben.
Und dich mit nach oben ziehen.
Wir werden überm Eismeer schweben.
Und zum ersten mal verstehen.

Oh Oh Oh ...

Ich will Glänzen.
Ich will scheinen.
Und ich tu als tüt nichts weh.
Würd dir gerne alles zeigen.
Bin ein Eisberg auf der See.

Ich will glänzen.
Ich will scheinen.
Und ich tu als tüt nichts weh.
Würd dir gerne alles zeigen.
Bin ein Eisberg auf der See

GREECE-SONG

The power in me

when I was a kid I felt alone had no one by my side

I felt so different(x2)

I was the last one anyone turned for help

but then EMB came(x2)

I would have been lost in a world with no lights

but now that you are here I feel so much stronger

cause I want happiness and I don't want more fights

so please stop acting like the way you do

cause I want peace and love into the whole wide world

so please stop bullying for your own good

maybe when I grow up I will find the strenght to show them that

I have the power(x2)

I have the power to stand up for my own rights

I'm no outsider(x2)

I will have let my feelings come outside

as I don't have to hide them any (longer x3)

cause I want happiness and I don't want more fights

so please stop acting like the way you do

cause I want peace and love into the whole wide world

so please stop bullying for your own good

cause I want happiness and I don't want more fights

so please stop acting like the way you do

cause I want peace and love into the whole wide world

so please stop bullying for your own good(x3)

ITALY-SONG

SARA' PERCHE' SEI STRANO

Verse 1

Che confusione, sarà perché sei strano
è un emozione, scopriti piano piano
dammi la mano per starmi più vicino
se ci stai bene saremo veri amici.

Cantiamo al ritmo del dolce tuo progresso
è una vittoria, ma non mi sembra vero
il pregiudizio, ma in che mondo siamo?
“che ce ne frega” e insieme lo gridiamo!

Chorus ITA

Evviva evviva si sa, la vittoria c'è già
e canta canta con me, tutto l'affetto che c'è
se comprensione non c'è,
basta una sola canzone, per provare emozione
fuori e dentro di te.

Chorus ENG

Hey flying flying away, “higher and higher” we say
'nd sing sing with me, all the love that you feel
Don't you agree with me? a song is enough
to thrill to us, together you and me.

Verse 2

What a confusion, it could be 'cause you're strange
I thrill to knowing you slowly by slowly
just take my hand and stay closer to me
if it's ok we could be true friends.

Let's start to sing and enjoy your switch
You're a winner, I don't believe it yet
The prejudice, What kind of world d' we live in?
"but we don't mind" and everybody singing!

Chorus x2 ENGLISH-ITALIAN

POLAND-SONG

The lyrics of the song performed by Polish students,

Marta Kułakowska and Aleksandra Kucaba,

at Erasmus Minus Bullying festival in Helsinki

Christina Aguilera, "Beautiful"

[Spoken]

Don't look at me

Every day is so wonderful
Then suddenly it's hard to breathe.
Now and then I get insecure
From all the pain, I'm so ashamed.

I am beautiful no matter what they say.
Words can't bring me down.
I am beautiful in every single way.
Yes, words can't bring me down... Oh no.
So don't you bring me down today.

To all your friends you're delirious,
So consumed in all your doom.
Trying hard to fill the emptiness.
The pieces gone, left the puzzle undone.
is that the way it is?

You are beautiful no matter what they say
Words can't bring you down....oh no
You are beautiful in every single way
Yes, words can't bring you down, oh, no
So don't you bring me down today...

No matter what we do
(no matter what we do)
No matter what we say
(no matter what we say)
We're the song inside the tune
Full of beautiful mistakes

And everywhere we go
(and everywhere we go)
The sun will always shine
(the sun will always, always shine)
And tomorrow we might wake on the other side

We are beautiful no matter what they say
Yes, words won't bring us down, no, no
We are beautiful in every single way
Yes, words can't bring us down, oh, no
So don't you bring me down today

Oh, yeah, don't you bring me down today, yeah, ooh
Don't you bring me down ooh... today

SPAIN-SONG

LET'S SHOUT IT OUT

I used to have lot of friends
But a small thing can change your life
One day I went to school
And I didn't know why
It was like I had no choice
People laughed at me
And some tears
fell down my eyes
I felt alone
So I write this song to show you how I fell
So help me please

Let's work together
Let's help to shout it out
To take a choice and take it away
Let's be hopeful and find a scape
I know is not easy but
We all can do it with help

Inside my room, always alone
I try to stay fine, but it's alright
It's enough! This is so hard
They insult me
And hurt me
I can't explain (explain)
So help me please

Let's work together
Let's help to shout it out
To take a choice and take it away
Let's be hopeful and find a scape
I know is not easy but
We all can do it with help

We have to stop this
people cry for all the pain

They fall in their knees in the end of the day
They have no choice, they have no voice
Every day trapped in the same pain

Let's work together
Let's help to shout it out
To take a choice and take it away
Let's be hopeful and find a scape
I know is not easy but
We all can do it with help

TURKEY-SONG

LIFE WOULD BE A FEAST

The happiest one in that world
is the one, who gives happiness

The most loved one in that world
is the one, who knows to love,

The richest one in that world
is the one, who wins our hearts

This world is mine, This world is yours
and together we can share.

2 If only all the world believe this,
they believe this, life would be a feast
If only all people hold others' hands and unite
we reach eternity.

Come let's be friends,

Let's unite with all of the world

In the world full of love , and

let's live in peace and harmony

It doesn't matter where you come from

It doesn't matter who you are

Together we can change the world,

Together we can win

3 If only all the world believe this,

They believe this, Life would be a feast.

If only all people hold others' hands and unite,

we reach eternity
