Martin had problems with his teeth and he had to wear braces

Martin had problems with his teeth and he had to wear braces.

Martin had problems with his teeth and he had to wear braces

The reaction of his classmates was very bad. They mocked him, laughed at him, insulted him and he could not stand this bullying.

Martin had problems with his teeth and he had to wear braces

Classmates didn't realise his problem .

Martin had problems with his teeth and he had to wear braces

1 year later, Martin removed his braces and his face was lit by a wonderful smile

Martin had problems with his teeth and he had to wear braces

All his jealous friends realized what a mistake they did.
